

Certificate

SWN confirms for the period from January 2020 to December 2021
the delivery of

SWN-Strom ÖkoMix

to

Otto Markert & Sohn GmbH
Oderstraße 51, 24539 Neumünster

The electricity supplied comes partly from hydropower plants,
partly from the proportion of electricity produced by biogenic fuels
in SWN Stadtwerke Neumünster's combined heat and power plant.

These criteria are certified annually by TÜV NORD Umweltschutz
GmbH & Co. KG.

Neumünster, November 2019
